2008 Lenné Karen's Pommard Pinot Noir	\$55.00	\$49.50	\$44.00
--	----------------	----------------	----------------

The Karen's Pommard Pinot Noir represents the best two barrels of the Pommard clone from each vintage. The Pommard block is located at the top of the vineyard on very shallow soils and consistently produces our most complex wine. The wine had deep blackcherry, mocha and forest floor aromas. Rusty Gaffney from the princeofpinot.com summed it up: *"Vivid black cherry fruit which is soft and luscious on the palate, persisting on the amazingly lengthy finish leaving a refreshing impression from lively acidity. Still has tannin to shed and the big gulp of fruit is reticent and linear at this stage, but this is a very polished wine that will be spectacular down the line."*

2008 Lenné LeNez Pinot Noir	\$30.00	\$27.00	\$24.00
--	----------------	----------------	----------------

The LeNez Pinot Noir is typically more fruit forward than our other wines and this holds true for the 2008 vintage. The wine has blackfruit, anise and mocha aromas which are framed with soft tannins and bright acidity. Most of you know what the 07 version of this turned into. You think that was good, just wait for this one to develop. Here is the recent review from the Wine Spectator:

90 pts | \$30 | 396 cases made | Red
Polished and bright, this is juicy with strawberry, raspberry and rose petal notes, with a light touch of cream as the flavor profile lingers on the elegant finish. Drink now through 2016.—H.S

2008 Lenné Estate Pinot Noir	\$45.00	\$40.50	\$36.00
---	----------------	----------------	----------------

Again, I think this is one of the finest wines Lenné has ever produced. This is a combination of Pommard, 115 and a small amount of 114. I am going to quote Rusty Gaffney from theprinceofpinot.com again as I think he summed it up as well as I could have:
A panoply of different red and black fruit aromas including cherries, strawberries, and red currants with an underpinning of smoky oak. Flat out delicious array of pristine fruit including black raspberries and cherries. Lovely accents of loamy earth and mocha. Highly persistent aromatic finish. A seamless wine that is pure class in the glass.

Note: I highly recommend cellaring the 08 wines. The 09 wines coming will be immediately drinkable but not nearly as ageable.
