Pricing

Retail: $190
Rootstock Club (10% off, 3x bottles): $171
Founders Club (15% off, 3x bottles): $161.50
Taproot Silver Club (15% off, 6x bottles): $323

***Upgrade to 12+ bottles for free shipping and an additional 10% off for this allocation only!**

2021 Jill’s 115 Dijon Clone Pinot Noir ($70 retail)

One of our most fruit forward wines, the 2021 Jill's was sourced from the very best barrels of 115 Dijon clone harvested from our estate vineyard. This wine is rich and soft in the mouth, with notes of ripe red cherry and boysenberry. The finish is lingering and dense. This wine is aging beautifully, and beginning to show the mocha aromatics and velvety texture that exemplifies nicely-aged Lenne pinot noirs. Drink now or cellar another 2-6 years.

2024 Lenné Estate Pinot Noir ($60 retail)

The long, gradual ripening season of summer 2024 created the best-drinking young pinot noirs we've ever produced at Lenne Estate (though the 2025s might soon steal that crown). This aromatics are herbal with dusky raspberries. The texture is sleek and enveloping, with tart fruit and a bit of dark chocolate flavor. Lightly tannic and spicy on the finish. This wine will gain complexity and depth over the next 2-3 years, then mature gracefully for 10+.

2022 Lenné Willamette Valley Blend Pinot Noir ($60 retail)

***Customizable (Ask your Lenné team about switching out wines)**

The 2022 vintage was cold and late, with snow in April, followed by May gray and June gloom. Thankfully, record heat in August and September, and a dry early October, allowed the wines to ripen fully. This was the first Lenne vintage made by Jared Etzel, and he gave all of our 2022 pinots extended barrel aging to add body and complexity. This wine is dark-fruited and powerful, with dense herbal notes and a spicy finish. Enjoy now, or cellar 8+ years.

NEW AT LENNÉ

Our **2025 Vintage** has reached the tasting room! Visit our online store at LenneEstate.com to order yours today, or ask for a taste when you come out to Yamhill.

The highly-anticipated **Lenné Estate BnB** is NOW OPEN! Members receive a significant discount when booking directly through the tasting room by emailing us at Info@LenneEstate.com or by calling 971-348-4264 (you can check availability through AirBnB or VRBO).

Mark your calendars! **Lenné Winery Workshops** are running through the fall and winter featuring Pizza Making 101, Pumpkin Carving, Wreath Making and more! Visit LenneEstate.com for details and to book your tickets today!

VINTAGE COMPARISON

2021
An all-time great vintage! The season started off hot and remained warm throughout. The resulting wines are excellent with bright fruit flavors, balanced by bright acidity and firm tannins. Even ripening produced a classic Oregon Pinot vintage with wines that are drinkable right out of the barrel. Drink these wines tonight or age them for a decade, it's a win either way.

2022
The most challenging growing year since 2011, a cold spring culminated with several inches of snow in mid-April. The following May and June continued this dank weather pattern, and by mid-July the vines were 6 weeks behind their usual ripening pace.I Thankfully a late-arriving summer brought a record number of days above 90 degrees during August and September, and the clear dry weather persisted into October. Harvest took place October 18-21, about a month later than usual.

2024
An early summer, but not especially hot. Gradual ripening conditions continued through July and August, giving the wines a "simmered, not microwaved" smoothness.The 2024 wines have great fruit notes and remarkably soft mouthfeel and texture. While they are still simple and young, they are already amazing in the mouth, and we think they'll be all time greats after a few years in the bottle.

WINEMAKER COMPARISON

Steve Lutz
Our founder and winemaker from 2004 through the 2021 vintage, Steve's goal was to leverage the dreadfully rocky soil of the Lenné Estate vineyard to create exceptionally big, bold, fruit-driven pinot noir. Steve inoculated the fermentation tanks for a more rapid fermentation and barreled with a higher % of new oak resulting in complex yet approachable wines that are delicious when young and even better with aging. Steve strongly recommends bottle aging at least 3 years, and thinks his pinots hit their prime around the 8+ year mark after bottling. See our vintage chart on our website for drinking/aging recommendations!

Jared Etzel
Our new winemaker took over with the 2022 vintage. Jared always crafts his wines to reflect the terroir of the vineyard, and for Lenné he aims to create dense, fruit-forward pinot noir with exceptional complexity. Jared uses native yeast for a more gradual fermentation process, varies the barreling time from vintage to vintage, and bottles the wine unfined/unfiltered, which yields a much richer mouthfeel and texture. His wines are balanced and intricate right out of the barrel, and he forecasts that they will only grow richer and more complex with bottle aging.
